Your ratings are summarized below. When sufficient data exist, summaries are also provided for up to three reference groups. Your "comparison group" is based on the size of your class and the predominant reason students indicate they enrolled. Comparison group data are reported at both the college and university levels. Over the prior 12 months, 531 instructors and 881 course sections were in your Comparison Group by College, and 1142 instructors and 2175 course sections were in your Comparison Group by University. Across all the courses using the SEI instrument since 1994, 7.28% of them share the characteristics listed below. The Course-Offering Unit listing is not based on size or electivity; it is a summary of the SEI data across the prior 12 months in your department or school.

Your comparison groups have the following qualities:

Class size: over 60

Predominant reason given for enrolling in this course was that it was required in the student's major/minor or it fulfills a General Education requirement.
